MANUFACTURERS

Objectives:

- Searching for a Manufacturer
- Registering a Manufacturer

MANUFACTURERS	
DETAILS	EXAMPLE
<p>Manufacturers</p> <ul style="list-style-type: none"> • The Manufacturers menu provides two links: 1) Search Manufacturers and 2) Register a Manufacturer. • Navigate to links from the toolbar and the Manufacturers menu displays the links or from the Manufacturers section. 	

MANUFACTURERS	
DETAILS	EXAMPLE
<p>Registering a Manufacturer</p> <ul style="list-style-type: none"> Registering a Manufacturer form is in .pdf format and requires Adobe reader. Registering a Manufacturer requires the Manufacturer to be in compliance and agreement with the <i>Pharmaceutical Pricing Agreement (PPA)</i>. Email notifications are generated to the contacts, once OPA has reviewed and approved. <ol style="list-style-type: none"> Click on Register a Manufacturer link. Print the document and carefully review the instructions and detailed agreement. 	<p><u>General Instructions for Completing the Pharmaceutical Pricing Agreement (PPA)</u></p> <p>In accordance with the guidance found in the May 7, 1993, <i>Federal Register</i>, (link here) Section 340B provides that a manufacturer who sells covered outpatient drugs to eligible entities must sign a pharmaceutical pricing agreement (the "Agreement") with the Secretary of Health and Human Services (the "Secretary") in which the manufacturer agrees to charge a price for covered outpatient drugs that will not exceed the average manufacturer price ("AMP") decreased by a rebate percentage.</p> <p>Manufacturer is defined in the guidance listed above, as follows:</p> <p>The term "Manufacturer" has the meaning as set forth in section 1927(k)(5) of the Social Security Act and includes all entities engaged in –</p> <ol style="list-style-type: none"> (1) the production, preparation, propagation, compounding, conversion, or processing of prescription drug products, either directly or indirectly by extraction from substances of natural origin, or independently by means of chemical synthesis, or by a combination of extraction and chemical synthesis, or (2) the packaging, repackaging, labeling, relabeling, or distribution of prescription drug products. A manufacturer must hold legal title to or possession of the NDC number for the covered outpatient drug. Such term does not include a wholesale distributor of drugs or a retail pharmacy licensed under State law. <p>"Manufacturer" also includes an entity, described in (1) or (2) above, that sells outpatient drugs to covered entities, whether or not the manufacturer participates in the Medicaid rebate program. Furthermore, the Pharmaceutical Pricing Agreement provides that the term also includes any contractor who fulfills the responsibilities pursuant to the PHS drug pricing agreement.</p> <p>Please print the attached Pharmaceutical Pricing Agreement (PPA) in its entirety and have it signed by a corporate officer, such as the Chief Executive Officer. The form utilizes Adobe Acrobat Reader in an interactive format allowing you to input all applicable information on the computer. However, the form cannot be saved with your information for future use. You must print the form to submit it to the Office of Pharmacy Affairs Branch (OPA).</p> <p>If your organization would like to receive a signed original, please ensure that you submit TWO signed originals to the OPA. Otherwise, the OPA will send you a copy of the document once it is counter-signed by the Associate Administrator, Healthcare Systems Bureau, Health Resources and Services Administration.</p> <p>If you have any questions, please contact the Pharmacy Services Support Center at 1-800-628-6297 or via e-mail at pssc@aphanel.org.</p>

MANUFACTURERS

DETAILS
